

## Technical specification sheet

# EHW 1650 | Compact Electric Pump - EHW 1650

Specifications		
article number		100.551.001
model		EHW 1650
short description		Compact Electric Pump - EHW 1650
max. working pressure	bar/Mpa	720 / 72
first stage output / min.	cc	2000
second stage output / min.	cc	250
capacity oil tank (effective)	cc	1650
connection		3/8" NPT female
engine		230 VAC - 0.35 kW - 50 Hz - 1 Ph
charge remote control	V	15
weight, ready for use	kg	11.6
dimensions (AxBxC)	mm	416 x 190 x 222

### Standard supplied with

- Waterproof (IP 54) Remote Control with 2.3 m long electric cord

### Required Accessories

Gauge Set - EHW 1650	100.182.158
Needle Valve + Gauge Set - EHW 1650	100.182.162
